

Central States Group Carries the Top-of-the-Line Brand Names in Valve Automation

Our in-house shop capabilities enable us to customize valve assemblies according to customer requirements and preferences with rapid turn-around times, saving you from the alternative of long factory deliveries. We are equipped to automate and retrofit valves of all types in our shop.

Quality Assurance is Our Commitment to You

Think of Central States Group as your ISO 9001 Certified Valve Automation Facility. Our in-house automation center gives you all this:
