GATE, GLOBE, & CHECK VALVES (BRONZE, IRON, STEEL, & STAINLESS)

- Sharpe
- Crane
- Nibco
- RP&C
- Newco

CHECK VALVES

- Crane/DuoCheck
- Sharpe
- Anvil/Gruvlok
- Nibco
- DFT (Durabla)
- US Valve
- Keckley

PNEUMATIC/HYDRAULIC

- Parker/Schrader Bellows
- Hydraulic Cylinders

RELIEF VALVES

- Farris
- Kunkle
- Conbraco

PIPE & FITTINGS

COPPER

- Pipe/Fittings
- Nibco Propress
- Gruvlok

PLASTIC

- PVC/CPVC
- Fuseal/Proseal
- Polyethylene
- Dual Containment
- Labwaste
- LXT

STEEL

- Galvanized
- Black
- Seamless
- Coated
- High Alloy
- Grooved
- T&C

STAINLESS

- 304L / 316L
- Sch 5/10/40/80/XXH
- Seamless/Welded
- Sanitary Tube/Fittings
- Instrumentation Tube
- Parker Compression Fittings

CAST IRON

- No Hub
- Service Weight
- Pipe/Fittings

ACCESSORIES

- All Thread Rod
- Backflow Preventers
- Cylinders
- Flex Connectors
- Filters, Regulators, Lubricators
- Gaskets
- Hangers / Engineered
- Machine Bolts
- Nuts & Washers
- Pipeline Strainers
- Glycol
- Strut
- Angle Iron & Channel
- Flow Meters
- Gauges
- Thermometers
- Spraying Systems

STEAM PRODUCTS

- Steam Traps
- Pressure Motive Pumps
- Regulators – Temp & Press
- Instantaneous Waterheaters
- Expansion Joints
- Desuperheaters

The Right Solution for Your Process Control Application

PRESSURE

- Gauges (Utility, Liquid-filled, Process, Test)
- Diaphragm seals & assemblies
- Switches
- Transducers & sensors
- Gauge, absolute, & DP transmitters
- Manometers
- Snubbers, pressure limiting valves, & syphons

TEMPERATURE

- Bimetal & industrial thermometers
- Transmitters
- RTD's, thermocouples, thermowells
- Switches
- Infrared non-contact thermometers
- Pyrometers

LEVEL

- DP level transmitters
- Ultrasonic non-contact
- RF capacitance & admittance
- Magnetostrictive
- Submersible level transmitter
- Guided wave radar
- Switches (floating, tuning fork, RF, ultrasonic, DP, displacer, paddle)
- Boiler drum level
- Radar non-contact
- Magnetic level gauge

FLOW

- Magnetic
- DP flow transmitters
- Vortex
- Diaphragm gas meters
- Switches (deflecting vane, thermal dispersion)
- Turbine
- Variable area & rotameters
- Positive displacement
- Propeller
- Flow elements (venturis, orifice plates, averaging pitot, wedge)
- Mass flow meters
- Site flow indicators
- Ultrasonic

ANALYZERS

- Moisture analyzers
- pH/ORP probes
- Fixed & portable gas detection
- Calibration gases
- Analyzer stream switching valves
- Tube bundles
- Conductivity probes

CONTROLS

- Batch controllers, flow computers
- HMI software
- PLCs
- DCS (Foundation Fieldbus)
- Wireless transmitters
- Single loop controllers
- Panel meters

CONTROL VALVES

- Globe, ball, butterfly, diaphragm, rotary
- Positioners
- Limit switches & solenoid

CALIBRATION EQUIPMENT

- Dry block calibrators
- Dead weight testers
- Signal calibrators
- mA loop calibrators
- Hand pumps
- Pressure calibrators
- HART communicators

INSTRUMENTATION ACCESSORIES

- Instrumentation tube fittings, valves, & regulators
- Manifolds
- Instrumentation enclosures, buildings, & stands
- Pneumatic components
- Compressed air dryers

CALIBRATION & FIELD SERVICE

- Complete metrology lab (NIST traceable certifications)
- Cleaning for oxygen service
- Fill and attach remote seals
- On-site calibrations, repair, & start-up

PUMPS & ENGINEERED PRODUCTS

Industrial Process & Sanitary Pumps:

ITT GOULDS PUMPS/AC

- ANSI Process
- PumpSmart Controller
- Mag Drive ANSI Process
- Horizontal Split Case
- Vertical Turbine & Sump
- High Pressure Multi-Stage
- Vertical & Horizontal Slurry

VIKING PUMP, A UNIT OF IDEX CORP

- Internal Gear
- External Gear
- Vane
- Lobe
- Mag Drive Gear
- Lid-Ease Basket Strainer
- Duplex Fuel Oil Systems

MOYNO

- Progressive Cavity
- Industrial & Sanitary
- Open Hopper Options
- Dosing/Metering
- Annihilator Grinders
- AugMentor Pump Stuffers
- High Pressure Metal Stator

WILDEN PUMP & ENGINEERING

- Air Operated Double Diaphragm
- Non-Stalling/Non-Freezing
- Clamped & Bolted Designs
- Metallic & Non-Metallic
- Industrial & Sanitary
- Replacement parts for Warren Rupp, ARO, & Yamada

WAUKESHA FLUID HANDLING

- Sanitary Positive Displacement
- Sanitary Centrifugal
- Rising Stem Valves
- Homogenizers
- Shear Pumps/Colloid Mills
- Sanitary Heat Exchangers

ITT GOULDS/G&L

- General Purpose/OEM Pumps
- End Suction Centrifugal
- Stainless Steel & Cast Iron
- Vertical & Horizontal Multi-Stage
- Submersible
- Vertical Turbine

Special Application Pumps:

CORKEN

- Thin Liquid/Vapor Pumps
- Gas Compressors

MICROPUMP

- Mag Drive Metering Pumps

PULSATRON

- Metering Pumps

EBARA

- Submersible

MARCH

- Magnetic Drive Centrifugal Pumps

TOYO PUMPS

- Abrasive Slurry/Solids Handling

WANNER ENGINEERING

- Hydra-Cell High Pressure Pumps

WILLIAMS PUMP

- Metering & Chemical Injection

WEMCO

- Self-Priming, Solids Handling
Trash Pump, 3" – 10" sizes

MTH

- Regenerative Turbine Pumps

JAECO

- Metering Pumps

GUSHER PUMP

- Machine Tool

BARNES

- Submersible

LMI

- Metering Pumps

Service & Repair:

- Repair on most pump manufacturers
- Laser Alignment Services
- Startup Services
- Pump Base Plates
- Custom Fabrications/Skidded Systems
- 24 Hours per Day, 365 Days per Year

Accessories:

- Basket Strainers
- Power Monitors/Motor Minders
- Hayward Filters
- Gauges
- Filters/Regulators/Lubricators
- Gear Reducers/Motors

KEEP THINGS FLOWING SMOOTHLY

Central States Group carries the top-of-the-line brand names in Valve Automation.

Our in-house shop capabilities enable us to customize valve assemblies according to customer requirements and preferences with rapid turn-around times, saving you from the alternative of long factory deliveries. We are equipped to automate and retrofit valves of all types in our shop.

Quality Assurance is Our Commitment to You.

Think of Central States Group as your ISO 9001-2000 Certified Valve Automation Facility. Our in-house automation center gives you all this:

- Standard and Custom Tagged Assemblies
- Custom Fabricated Assemblies
- More than 30 Years Experience in Valve Automation

FLOWSEAL/CENTERLINE

- Resilient Seated Butterfly Valves
- High Performance Butterfly Valves
- Metal & Firesafe Seats
- Triple Offset

CRANE/REVO

- Rack & Pinion Actuators
- Double Acting/Spring Return

SURESEAL

- Resilient Seated Butterfly
 - Split Body
 - Teflon Lined
- Triple Offset
- High Performance
- PFA Lined Ball Valves

MOGAS

- High Temperature/High Pressure
- Severe Service Ball Valves

SHARPE VALVE

- High Performance Ball Valves
- Special Service
- Sonic Torque Actuators
 - Double Acting
 - Spring Return
 - 4x4 Actuators
- Solenoid Valves
- Limit Switches

LESLIE

- Linear Control Valves
- Rotary Control Valves
- 3-way

RENEWABLE FUELS

Ethanol/Biodiesel

The key to productivity in your plant is keeping everything running smoothly. That's why, when it comes to supplying your plant with pipe, valves, fittings, and pumps, we've got your back.

We're the Ethanol/Renewable Fuels Division of Central States Group, a team of qualified professionals with a depth of experience ready to arm you with everything you need to stay productive.

PIPE AND FITTINGS

- Black Pipe
- Stainless Pipe
- Stainless Tube
- Galvanized Pipe
- Coated & Lined
- HDPE
- PVC/Kynar
- Polypropylene
- Special Alloys
- SS Weld & Threaded
- Stainless Tube Fittings
- Carbon Steel Weld
- Forged Steel Fittings
- Malleable Fittings
- Quick Disconnects

SPECIALTY ITEMS

- Spraying Systems
- Steam Traps
- PI's Pressure
- TI's Temperature
- Strainers
- Rupture Disks
- Filters, Regulators, Lubricators
- Loadout Systems
- Gaskets
- Instrumentation Fittings
- Hangers
